History of Meredith

GENERAL DESCRIPTION

The township lying as it does on the northwesterly end of Lake Winnepesaukee with Lake Waukegan on its other boundary, makes as ideal a summer retreat as there is in the Granite State.

Distant only 112 miles from Boston with the excellent train service on the White Mountain Division of the Boston and Maine R. R. and daily stages to Centre Harbor, Centre Sandwich, West Ossipee, and Moultonboro, all neighboring pleasure resorts, the village of Meredith is at all seasons a busy place.

Waukegan is one of the most noted lakes in the state for its bass fishing, and the waters of Meredith bay that make inland from Winnepesaukee, afford excellent facilities for "reeling in" of lake trout and other gamey members of the finny tribe.

The diversity of scenery obtained from Meredith and vicinity affords ample material for those of artistic temperament.

The view across Waukegan includes such peaks as Moosilauke, the Asquam range, including Prospect, Passaconaway, Osceola and White Face. To the south looking across Winnepesaukee the Belknap range is plainly visible.

It matters not whether the guest is after rest or recreation, Meredith can furnish it quantities to suit.

INDIAN OCCUPANCY

I know the readers of this book will share with me the pleasure I take in presenting to them selections taken from an article written and read by a lady of Meredith at one of the meetings of the local improvement society.

The article, of which Mrs. Ella E. Eaton is the author, follows with a few omissions and changes.

“In seeking some knowledge concerning the very earliest dwellers beside our beautiful lake (Winnipesaukee), we are at first surprised that the records are so meagre, and that all our search is repaid by only a few facts gleamed here and there.

“We would fain read stories of Indian life with its loves, its hopes, its sorrows and its joys, as it was when he roamed over all the lands and felt them his own.

“Of many countries we may know their history centuries and centuries ago, but of our own we are left to dig from the soil relics, which, without language, yield their scanty records of the past.

“Had the early white settlers so desired they might have preserved for future generations many interesting records of the traditions of the primitive American or indian.

“How satisfying it would be to us if the past could have drawn and preserved for us one picture of this side of the

lake where our village now is, showing the wigwams, the canoes, the little red children running about and the whole that went to make the happy and contented Indian village nestling as of old among the sylvan vistas.

“Longfellow's Hiawatha says,

‘Lo how all things fade and perish!
From the memory of the old men
Fade away the great traditions,
The achievements of the warriors,
The adventures of the hunters,
All the wisdom of the Medas,
All the craft of the Wabenoos,
All the marvellous dreams and visions
Of the Jossakeeds, the Prophets.’

“Of the many different Indian tribes, those in which we are most interested were called Winnepesaukees, taking their name as was the Indian custom from some feature of the locality in which was their abode.

“All the tribes of the interior were known in the language of the Indian as ‘Nipmunks’ or fresh water Indians.

“As was the custom, the Indians of this vicinity dressed, before the advent of the whites, in the furs of the animals slain in the chase, sewed together with the sinews of the same animals.

“Following the advent of the whites we find they began to adopt the customs of civilization as to clothing and habits, such as undermining their vitality and powers with ‘Fire-Water.’

“The Winnepesaukees maintained a permanent fish-weir

or 'ahquedankenash', as they called it, at the outlet of the lake. All the neighboring tribes were invited to assemble here for the spring and fall catch, the occasion being made into a semi-annual festival.

"The locality of these gatherings has received renown throughout all New England as one of the most popular of modern summer resorts, also as a gathering place for many conventions and associations, for many public assemblies are held at The Weirs.

"Many interesting traditions have been handed down about Passaconaway, the chief who ruled over the tribes in Western Maine and New Hampshire.

"The concensus of them all is that he was held by his followers to be a 'Great Medicine Man' and in close communion with 'The Great Spirit.' It is also asserted that he lived to a good old age, and during the latter part of his life did much toward promoting peace between the whites and his Indian followers.

"Wonalancet, his son, and the one who took up the sceptre of chieftanship on the death of Passaconaway, is said to have followed closely his father's example and some state he embraced Christianity before his death.

"We have many legacies from the Red Man we hope will last as long as our country does, and that is in the musical names of places and things, showing the appreciation of the beautiful by the child of the forest.

"For the music of the Indian names let us quote a bit from Whittier's 'Bridal of Pennacook.'

'The trapper that night on Tursee's brook
And the weary fisher on Contoocook,
Saw over the marshes and through the pine
And down the river, the dance lights shine.

For the Saugus Sachem had come to woo
The Bashaba's daughter, Wutamoo,
And laid at her father's feet that night
His softest furs and wampum white.

From the crystal hills to the far south east,
The river Sagamore came to the feast;
And chiefs whose homes the sea winds shook
Sat down on the mats of Pennacook.

They came from Sunapee's shore of rock,
From the snowy sources of Snooganock,
And from rough Coos whose thick wood shake
Their pine-cones in Umbago lake.

From Ammonoosuc's mountain pass
Wild as his home, came Chepenas;
And the Keenomps of the hills which throw
Their shade on the smile of Manito.

* * * * *

Steaks of the brown bear, fat and large,
From the rocky slopes of the Kearsage;
Delicate trout from Babboosuck brook,
And salmon speared in the Contoocook.

Squirrels which fed where nuts fell thick
In the gravelly bed of the Otternic,

And small wild hens in reed-snares caught,
From the banks of Sandagardee brought.

Pike and perch from the Sunacook taken,
Nuts from the trees of the Black Hills shaken,
Cranberries picked in the Squamscot bog,
And grapes from the vines of Piscataquog.'

EARLY GRANTS AND SETTLEMENT

The following petition appears under date of Nov. 3, 1748.

"A list of the names of a number of men that desire that they may have a township or tract of land granted or given to them and to their heirs forever. Gentlemen whose right it is to grant or give our request we being the loyal and dutiful subjects to his Majesty King George the Second, we pray you to give or grant to us a part of the land which is to be laid out into townships in our frontiers above.

Names signed as follows: Ensign Jonathan Longfellow, Joseph Clark, Jonathan Libby, Benjamin Shaw, Capt. John Shaw, John Light, Richard Scamman, James Scamman, Joseph Wadleigh, Daniel Smith, Daniel Gale, Samuel Gale, Samuel Norris, Benjamin Norris, Jr., Samuel Norris, Jr., Benjamin Whicher, William Chase, Moses Chase, Benjamin Norris, Elasmus Rowe, Joseph Fifield, Josiah Robinson, Jr., Moses Rawlins, John Taylor, Jr., Jacob Low, Chase Robin-

son, David Rawlins, Benjamin Smith, Samuel Goodhue, Jonathan Shaw, John Purmot, Benjamin Juet (Jewett), Josiah Sandburn, Jonas Gibson, Joseph Norris, Josiah Sandburn in the right of Josiah Folsom, Samuel Palmer 36 paid by James Rawlins, Daniel Thurston, John Morgin, Samuel Goodhue, Thomas Ford, Oliver Smith, Jr., Jacob Longfellow, Joseph Juett, Jonathan Wadleigh, Abra Clark, Joseph Person, Eliphalet Rawlins, Joseph Rawlins, Jr., Nathaniel Bartlett, Ephra Robinson, Robard Cutler, John Smith, Joseph Rawlins, Jr., Oliver Smith, Daniel Clark, Tilton Lawrence, John Leavitt, Jr.”

Voted Nov. 10, 1748, “that Ensign Oliver Smith, Joseph Juet (Jewett), Joseph Smith and Daniel Clark be a Committee to go up to lay out a township.”

Voted Tuesday Nov. 14, 1749, (a year later), “that John Leavitt, Josiah Sandburn and Tilton Lawrence be a committee to run the line of the said towns between Pond and Pemigewassett river and to look out a place for a saw mill and for a “Senter Sware” (Centre Square).”

The following bounds are given for the town: “Beginning at a hemlock tree by the great bay of Winnepesaukee river, which is the Southeasterly corner bounds of that tract of land granted to John Sanborn and others by said Proprietors and which lies adjoining to the land hereby granted, and runs from said tree northwesterly six miles joining on said lands granted to said Sanborn, or near six miles, to a Beach tree marked which is the northwesterly corner bounds of the said tract of land; then running fifty-five degrees east about seven miles to a white oak tree by the

side of Winnepesaukee pond marked on four sides; then running Southeasterly by side of said pond to the river aforesaid; then on said river to the great Bay aforesaid; then on said bay to the hemlock tree first mentioned."

Voted Jan. 1, 1753, "that Mr. Jonathan Longfellow shall have one shilling old tenor per acre, for every acre he shall on his own charge gett added to the township of Salem; more than is contained in the two plans already taken, and to get it confirmed by the Grantors, and if he does not get any added is to have nothing for his charges. And that the assessors shall tax the proprietors for to pay him for what he gets added."

Evidently Jonathan Longfellow failed in his plan, whatever it was, to enlarge the area of the new township, for we find no record that he received any monies for services as outlined above.

In accordance with the wording of the Grant the Proprietors voted Sept. 14, 1763, to build a saw mill probably on the riverlet connecting Waukegan and Winnepesaukee.

The town was incorporated Dec. 30, 1768, and name changed from New Salem to Meredith, 1769.

In 1855, the eastern portion was taken to make a part of Laconia including Lake Village and Meredith Bridge on the west side of the Winnepesaukee river and until 1873 a part of Centre Harbor was in this town.

Among the first and earliest settlers in this town were Ebenezer Smith, James McCrillis (great grand father to Phillip McCrillis now resident here), who lived on what is the Cummings place, and his nearest neighbor was Capt.

Ray, who settled four miles nearer to Laconia, at what is now know as Ray's corner.

INDUSTRIAL ACCOUNT

The farthest back we could go was about 75 or 80 years, when Geo. B. Swasey built and run a cotton mill; he also run a saw mill and in the manufacture of lumber was followed by Capt. Daniel Smith. Later came Thomas Appleton in the manufacture of hosiery followed by Mr. Ward, still later a Mr. Metcalf, then a period of inactivity followed by the management of a Mr. Hodsdon.

More recent industries are the Meredith Shook & Lumber Co., Geo. H. Clark & Co. sash and blinds, etc., Atlas Linen Co., etc.

MILITARY ACCOUNT

In the Revolutionary War, Meredith took quiet an active part, for we find that Ebenezer Smith formed a company in this town with a few enlistments from other neighboring towns.

History of Tilton

EARLY ANNALS AND DATA

The earliest history of this beautiful little town belongs to the parent township Sanbornton, for until June 30, 1869 Tilton was a part of that township.

Tilton is principally a manufacturing town, yet unlike most other such towns throughout New England has a wonderfully clean street system and the homes of the people are clean and well kept.

Tilton's connection with the outside world is of the best, as the Boston & Maine railroad from Concord and Boston runs direct through here to Montreal and other points north.

Then the Belmont & Tilton branch line runs into this town, giving the people of Belmont access to the up-to-date stores and business concerns of this place.

Tilton is bounded on the north by Sanbornton, east by part of Lake Winnisquam, south by Winnepesaukee river and Northfield; west by Franklin.

Stated in the words of the enactment made by the General Court of New Hampshire approved June 30, 1869, the bounds are as follows:

“That all that part of Sanbornton lying within the fol-

lowing lines and boundaries to wit, Beginning at the Centre of the Winnepesaukee River, at the Southwest corner of said Sanbornton, on the line of the town of Franklin; thence northerly, on the line between said Franklin and said Sanbornton to the north side of the third range of lots in said Sanbornton; thence easterly, on the north side of said range line to the highway leading from Union Bridge to Laconia, across the Bay Bridge; thence on the north line of said highway to the Sanbornton town line, down the Winnipiseogee River to the place of beginning, be, and the same hereby is, severed from the town of Sanbornton and made a body politic and corporate by the name of Tilton."

This section contained about 8,600 acres of improved land and nearly all of the waterpower of Sanbornton as well as one of the most thriving villages of the town.

July 1, 1870, some territory was severed from this town and given back to Sanbornton, but later, July 3, 1872, was again added to Tilton.

From appearances it would seem that the Indians at one time occupied this section and that undoubtedly a strong and powerful tribe had a settlement here. As proof of this theory, there is found at the head of Little Bay on Winnepesaukee, the remains of what was once an Indian fortress consisting of six walls, one along the river across the point to the bay and others at right angles connected by circular walls in rear.

When the first settlers came here, so tradition says, the walls were breast high and large oaks within. Numerous relics have been found here, but time and civilization are fast obliterating the signs of a once powerful Indian tribe.

MILITARY HISTORY

For the military history of this town, it is necessary to refer the reader to that subject under Sanbornton.

SCHOOL AND EDUCATIONAL NOTES

In accordance with the requirements of the charter of the town of Sanbornton, the matter of education was early considered and various actions taken to insure the schooling of the children.

The first school said to have been taught in what is now Tilton, was in the house of Mr. Satchel Clark, west of "Tin Corner," so called.

It is said Mr. Clark had a son John who was required to "blow and strike" for his father in the smithy next door to the house; here he would labor until the master come to the door and rapped to signify it was time to come and read and spell, after which he would return to the forger.

The New Hampshire Conference Seminary was started in 1845, and is located on "Academy Hill" so called, and is under the supervision of the Northfield and Tilton Methodist church, yet the institution is non-sectarian.

In 1852, the charter was granted so as to give the higher and more perfect education to ladies. The buildings are finely equipped and up-to-date in every respect. The institution has been very prosperous since first organized.

Several new buildings have been erected to accommodate the increased enrollments by supplanting older buildings or adding to the number already in use.

INDUSTRIAL ACCOUNT

From the earliest history of this section it has been the manufacturing part of the township, and as before stated, when disannexed from Sanbornton it took about all the water power owned by that town.

One of the first mills erected in town was built on the first site, so called, below the railroad track and bridge.

The present industries are the Tilton Woolen Mill, the Carter's Mills, woolen; Morrison's Mills, woolen; the G. H. Tilton Hosiery Mill, and the Tilton Optical Co., manufacturing lenses and optical goods.

ECCLESIASTICAL HISTORY

THE HISTORY OF METHODISM IN NORTHFIELD AND TILTON

The first Methodist sermon preached in this vicinity was delivered by Rev. Martin Ruter, D. D., in 1803, at the home of Deacon Jonathan Clough on "Bay Hill." The first "class" was organized in 1804, at the home of Joseph

Knowles. The members of the class were Joseph Knowles Jr., and wife, Miss Morse (afterwards Mrs. Wyatt), Eunice, Susan and Stephen Morse and Mr. and Mrs. Josiah Ambrose, Joseph Knowles Sen., Miss Alice Glidden, Lottie Ellison, who was the mother of Benj. F. Butler; Mrs. Polly Wadleigh Fullerton, and Capt. Isaac Glines.

In the year 1805 the first Society was formed, and in less than a year 31 members were reported. For years the services were held in houses and barns or schoolhouses, and many times out-of-doors.

Several meeting houses have been built in this vicinity at different dates. In 1826 one at Gilmanton and one at Northfield were built, a little later a house of worship was built at Sanbornton or a little west of Tin Corner, so called. In 1857, Feb. 4, the present church home was dedicated.

In conclusion it is only necessary to say that few churches have the opportunity for working upon the student life that may be found here. We are pleased to state that the lives of those who leave the Seminary and participate in the activities of life speak well for the social, moral, and spiritual influence exerted year after year upon student and citizen in a degree inestimable.

The list of parties who have labored here is as follows: 1805, Caleb Dustin and Martin Ruter; 1807, Zachariah Gibson; 1808, Joseph Peck or Hezekiah Field; 1809, Lewis Bates; 1810, Abner Clark; 1811, Hezekiah Field; 1812, Joseph Peck and Jacob Sanborn; 1813, Richard Emory; 1814, Aaron Lummus; 1815, James Jacques; 1816, Noah Bigelow; 1817-18, Benjamin Burnham; 1819, John Lord

and Elijah Spears; 1820, Damon Young and Ezra Goodwin; 1821, James P. Hervey; 1822, Jotham Horton and Ezekiel W. Stickney; 1823, Jacob Sanborn, H. Bulfinch, J. Templeton and P. Bell; 1824, E. W. The Congregational Church of Northfield and Tilton was first organized and services held on the Northfield side, but in 1837 or '38 the meeting house on the Sanbornton side was built and services held there. Prior to this, or from organization, (1822), the services were held in the Centre and Bay Hill school houses, later at Sanbornton in Academy building.

There were sixteen original members, namely, Elias Abbott, Mrs. Elizabeth Abbott, Mr. and Mrs. Obadiah Hall, Sen., Mr. and Mrs. Obadiah Hall, Jr., Susannah Hancock, Robert Forrest, Sarah Forrest, Dr. Enos Hoyt, Mrs. Betsey Brown, Jeremiah Hall, Abagial Abbott, Ebenezer Morrison, and Sally Dearborn, and in fourteen years the membership grew with 90 new members. The new church home was dedicated free from debt Sept. 1838.

The June session of Legislature in 1870 changed name to Tilton and Northfield Congregational Church and Society. Many expensive and necessary improvements have been made in order to keep the building up to modern requirements. A vestry and parlors built under church, gallery built over, electric lights put in and modern and up-to-date pipe organ installed. The Society now has a church home up-to-date, convenient and free from debt.

The pastors who have labored here are as follows:

Mr. Easterbrook, Martin Reuter, John Turner, Jotham

and Samuel Sewall, Liba Conant, Hazel Lucas, Enoch Corser, Carban Curtice, Theodore Pratt, Frederic T. Perkins, C. B. Strong and C. C. Sampson.

Episcopal Church of Tilton was constituted in 1860, and for a time held services at the brick meeting house in Northfield under Dr. Jas. H. Eames of Concord. Then Rev. Marcellus A. Herrick D. D. came here in 1861 and served here until his death in 1875.

The present house of worship was started in 1872 and opened for worship Easter Sunday, April 13, 1873. The present rector is Rev. Mr. Emery.

The Catholic Church data in full we were unable to obtain but it is of comparatively recent date. Rev. Fr. Desmond is the officiating pastor.

History of Gilmanton

GENERAL DESCRIPTION

Gilmanton is bounded on the north by Gilford, northeast by Alton, east and south-east by Barnstead, south by Loudon, and west by Belmont.

Suncook Mts. run in southerly direction, principal peaks Porcupine Hill, Peaked Hill, Grant Hill, etc. Interspersed among these beautiful hills are Mirrored Pond and Sylvan Glen, giving a magnificence of diversified scenery rarely equaled.

Suncook River with its excellent water privileges has its source in pond on Suncook Mt. The water falls into another at base of mountain, one mile in length and one-half mile in width, thence into another covering about 500 acres, and then meanders through town receiving several streams on its way. The principal ponds are Shell Camp Pond, Loon Pond and Rocky Pond.

One historian for Gilmanton has said "Among her many resources, great privileges, etc., she still has one drawback, or bad feature, namely: Her pureness of springs, rarified ozone and inclination for people to be out-of-doors, make for a poor living for the physicians who settle here."

EARLY GRANTS AND SETTLEMENT

This township is one of the oldest and was granted May 20, 1727, to one Nicholas Gilman and twenty-three others with same surname, and 152 other grantees.

Because of the Indian depredations the early settlement was delayed until last of 1761 when Benj. and John Mudgett and Orlando Weed came here and settled. The first white child born in the new township was Dorothy Weed, Oct. 13, 1762.

The Masonian Proprietors claimed the tract included in this Grant but in 1752, June 30, a settlement was made and a quit-claim deed given to all but eighteen shares.

Iron ore was discovered here in 1763 and works for the manufacture of the finished product were established, but the business proved unprofitable and was abandoned.

Governor's Island was annexed to this town Dec. 30, 1799, and on June 16, 1812, the northerly part of the town was set off and formed a town called Gilford, and on July 5, 1851, a tract of land was severed and annexed to Gilford.

On June 29, 1859, an act was passed dividing the town, and the northwesterly portion was incorporated as Upper Gilmanton, later changed to Belmont, June 24, 1869.

MILITARY ACCOUNT

The Revolutionary War quota from this town was unusually large and shows that the citizens were undoubtedly

patriotic. Among the names found on the Rolls we find the following:

Nathaniel Willson, Robt. Willson, Nehemiah Eastman, Jonathan Row, Ezekiel Gilman, Thomas Currier, Moses Niles, Joses Moulton, John Taylor, John Dow, Benj. Cotton, William Willey, Ambrose Thurston, Sargent Currier, Nathaniel Dow, John Clough, Jonathan Fullerton, Thomas Piper, David Mudgett, Thomas Bail, Pearson Huntriss, David Clifford, Jr., Jonathan Haseltine, Samuel Smith, James Hern, London Daily (or Dayly), Micaiah Kelley, Aaron Clough, Daniel Dudley, Benj. Dow, Joseph Kent, Joseph Fellows, Jeremiah Tilton, Nathaniel Dowe, Samuel Tilton, Elisha Hutchinson, George Montgomery, Nehemiah Leavitt, Henry Danford, Ammie Choat, John Cotton, Peter Gilman, Samuel Sibley, John Chase, James Allen, Edward Bean, Joseph Crosby, John Somes, Col. Joseph Badger.

PETITIONS AND DOCUMENTS

TOUCHING ON EARLY HISTORY OF GILMANTON

“In Governor’s Council Dec. 17, 1729.

“Ordered that whereas in the charter of Gilmanton It is expressed that the bounds of said Town shall run from head of Barnstead northwest two miles, then west to Winnipishoky pond, which east point of west should have been expressed north to the pond the same being so intended by the Grantors and is hereby so explained and declared.”

The above as is true of the following petition needs no explanation.

Dated May 15, 1760.

The petition of Theophilus Smith, Esq., Capt. John Odlin and Doc't. Josiah Gilman, a committee for and in behalf of the Proprietors of the Township of Gilmanton in said Province [New Hampshire] Humbly Showeth.

"That the Settlement of the said Township has been long retarded by reason that no provision hath yet been made for a legal taxation to be made and layed on said proprietors to Defray the charge of said Propriety which have already arisen or may hereafter arise in settling said Township.

"That if such Provision be made by an Act of this Honorable Court, the said Petitioners believe that a Settlement of the said township may be soon effected—

"That such settlement of the said Township will be not only a great benefit to the said Proprietors, But to the Province in General:—

Wherefore the Petitioners Humbly Pray that your Excellancy and Honorables will take the matters of this Petition Under your wise consideration and pass such Act or Acts to Enable the said proprietors to raise such sum or sums of money by Taxing the said Proprietors (as they shall find necessary from time to time to Defray the charges aforesaid) as your Excellancy and Honorables In your Great Wisdom shall see fit.

THEO. SMITH
JOHN ODLIN
JOSIAH GILMAN

EDUCATIONAL

Gilmanton, as did many other early towns, took a careful consideration of the religious and intellectual side of life.

In 1769, it was voted to hire a teacher and to build two school houses. In 1792, the town voted to leave the matter of a higher institution of learning to a committee of twenty men, this committee reported favorably on the question and in 1794, June 20, the legislature passed a bill, chartering the Gilmanton Academy. A commodious building was built and the school started under the instruction of Peter L. Folsom, A. B., a graduate from Dartmouth College. All early records so carefully kept by Stephen L. Greeley, Esq., were destroyed by a fire Sept. 25, 1872. In 1808, Jan. 22, the institution received a severe blow in the complete destruction of the Academy building by fire. The citizens of Gilmanton were equal to the situation for in just four weeks and four days we are told they had erected the frame for the present Academy building. Her children are legion and scattered to the four corners of the universe. She is now venerable for age and good works. Being one of the three first Academies incorporated in New Hampshire and having had the long life of usefulness she certainly deserves better treatment from the hands of her multitude of former students and their families and heirs.

Gilmanton Theological Seminary, while having only a short career deserves some mention for its usefulness. It was in 1835, Aug. 15, that the slowly maturing plans of the trustees were finally by vote of the board put into execution

and Rev. Herman Rood was called from New Milford Corner to open and conduct a department of Theology. (This action is supposed to have been prompted by the religious revivals and enthusiasm of 1832 and 1833, and the great call for ministers created thereby). In 1839, a building of brick was erected and dedicated Aug. 18, 1841, the dedicatory address by Prof. Warner. Because of a lack of pecuniary aid and the diminished interest in religious work by young men, the department gradually ceased to exist about 1844.

CHURCH HISTORY

The town, as was the custom of the early days, supplied the pulpit with pastors by vote of the tax paying citizens. All citizens of the town were usually regular attendants at the Sabbath services, and each, regardless of differences of opinion, paid his proportionate share toward supporting the religious work.

As early as 1829 we find on the old town records that a move was made to separate the supporters of the different views and protect them from paying toward the salary of a pastor expounding the views in which they did not sympathize. It was decided 1830-31 on petition of David Bean and others to divide the parsonage and religious funds by a committee composed as follows: Thomas Adams Jr., first Congregational church; Thomas Burns, Centre Cong.

church; Charles Parker, Iron Works Cong.; Joseph Edgerly, Calvin Baptist; Wm. Prescott, Methodist; Joseph Fellows, Universalist; Noah Leavitt, first Freewill Baptist; and for a number of years at each annual town meeting it was voted to divide the accruing interest on the parsonage fund among the different religious beliefs according to number of legal voters so interested.

The First Church at the "Smith Meeting House" as an organization has long since become extinct. According to Lancaster's History of Gilmanton, Rev. Isaac Smith, its first pastor, preached here forty-three years, dying among his people March 25, 1817. He was succeeded by several others as regular pastors or supplies. On July 25, 1832, Rev. Daniel Lancaster was dismissed because of a lack of support.

On the 26th of Feb., 1826, twenty-five members received letters of dismissal and recommendation of the church to form a new church at Centre Village (Academy), and on Oct. 12th, 1830, thirteen others were dismissed to form a new church at Gilmanton Iron Works.

The Centre Congregational Church—The twenty-five persons from the Old First Church were organized into a new church on the 8th of March, 1826. Rev. Herman Rood, the first pastor, was ordained July 12, 1826. A new house of worship was built at a cost of three thousand five hundred dollars, and dedicated Sept. 30, 1827. Rev. Mr. Rood was followed by Rev. Mr. Lancaster, after his dismissal from the first church. Other pastors and supplies were: Roger M. Sargent, Joseph Blake, S. S. N. Greeley, and possibly others.

Iron Works Cong. Church was constituted by an ecclesiastical council Oct. 20, 1830. Mr. Charles G. Safford was ordained pastor Sept. 28, 1831. Others who have labored here in the early days are: Jeremiah Blake M. D., (a student at Gilmanton Theological Seminary); Stephen S. N. Greeley, Rufus Childs, Jairus Ordway, N. S. Moore, George Rogers, Charles L. Tomblin, Cassander C. Sampson, E. J. Roke, Lyman White.

The Free Will Baptist Church at Gilmanton Iron Works was organized between 1785 and 1790. The early supplies were Abel Glidden, Thomas Flanders and Ezra Ham. About 1835 Elder Hezekiah Buzziel was settled as pastor of the church and followed by Samuel P. Fernald, Benj. McMurphy, Ichabod R. Cook, Thomas Kenniston, John M. Durgin, Moses Quimby, Gilman Sanborn, John C. Osgood, John M. Durgin, John B. Leighton, Wallace W. Brown, Geo. W. Price, Orrin Pitts, James C. Nelson.

The Free Will Baptist Church, Lower Gilmanton, was organized about Jan. 8, 1860. For many years the church was Calvinistic Baptist and organized as such about 1773. The data of the church as a Calvinistic Baptist is very incomplete. It is said that within the walls of this church in 1779 a trial for heresy of Elder Randall was held. The complaint was entered because he advocated the Free Will doctrine. Tradition says he was acquitted from the charge of heresy. The pastors who have supplied during early history of the church as Free Baptist: Moses Folsom, John Malvern, J. C. Osgood, C. B. Griffin, J. G. Munsey, D. L. Edgerly, John M. Durgin, C. L. Plummer, John Chamberlain, L. E. Hall, H. B. Huntoon.

The Society of Friends was organized about 1780. They had a commodious house of worship and thriving settlement but have long since ceased to be active, although the descendants of many still retain some of the old qualities of their ancestors and keep alive many of the otherwise forgotten customs by remembrances.

The Methodist Church in Northfield established classes here (1807-1818), and had occasional preaching. In 1827 a brick meeting house was built and services have been held under various pastors with varying results.

History of Sanbornton

GENERAL DESCRIPTION

Bounded on the north by Meredith and New Hampton, east by Winnisquam, south by Tilton, west by Franklin and Hill.

Nearest railroad station, Tilton on White Mountain Division, Boston & Maine, connection by stage coach.

Salmon brook rises in Salmon Pond in northern part of town and flows nearly through the centre, furnishing small water powers in its course.

Sanbornton has some excellent farms and ranks well in agricultural pursuits. Could the territory disannexed to form Franklin and Tilton have been retained, Sanbornton would now be one of the busiest towns in the state combining two large manufacturing centres with its present agricultural area.

GRANTS AND SETTLEMENT

“A list of the names of men that are (of) a mind and desire, their names may be entered in this paper in order that they may have a tract of land granted to them and their heirs forever.”

"On Nov. 10, 1748, Dea. Samuel Fogg, Joseph Rollins, Josiah Sanborn and Jethro Pearson were chosen a committee to lay out the Town."

Nov. 16, same year it was voted "Com. to lay out the town on the E. N. E. side of Pemisigavaset River, above Winepisock river near the crotch of said rivers; or other-ways where they shall think best etc."

The above instructions the committee proceeded to fulfill and reported; it was then found that this grant conflicted with the "Masonian Rights" so called, but a settlement was finally effected, the Proprietors or Grantees being given a Quit Claim Deed to all but seventeen shares of the disputed territory.

The first recorded settlement by White settlers began in about 1765 or 1766 by John Sanborn, David Dustin, Andrew Rowen and others, probably Moses Danforth, Thomas Danford, Solomon Copp, Daniel Fifield and Samuel Shepard.

Of the earliest and greatest hardships the first settlers endured we can only guess, for like all the pioneers of early towns they were not given to complaining. From Vol. IX. p. 755 of Dr. Benton's Provincial Records we take the following which gives a fair idea of the hardships then being endured.

“Sanborn Town Jan. ye 8, 1768.

“To his Excellency, John Wentworth, Esq., Captain General, Governor and Commander in Chief in and over his Majestys Province of New Hampshire in New England:

The Humble Petition of ye Inhabitants of Sanborn Town. We, the Inhabitants of this Town, Promising ourselves your Excellency's Protection, Both in our Public and Private interests, Humbly beg ye liberty of Declaring to your Excellency ye Present Condition of this infant Town, which is as followeth viz: We have thirty-two Familys in town, and a number more we expect will sone move in, and we doubt not But that in a few years we shall, if Prospered, be a flourishing town, able to support our familys, and be a help to ye Public. But at Present we are under the necessity of Going to other Towns for many things to support our Selves and our Cattle, which are but few, ye time Being so very short since we moved into Town, there Being no more than seven familys that have Been in Town so Long as two years, and they were Poor People that moved in for ye sake of Cetching a few fish to support their familys. Many of us have Been here But one year, and some not so long; our Land is very heavy to Clear, and after it is Cleared and affords us a Considerable Crop of Indian Corn, it is next to impossible to Plough the Land for Some years by Reson of ye Stumps and Roots; there hath Been But a Very few acres ever Ploughd in Town; not more than six or seven men that have Ploughd any, and on ye whole, it is not without a Great Deal of Difficulty that we Bring ye year about, Being obliged to Spend on the Store we had Before we moved up,

those that had any, and those that had not, to Run in Debt many of us, or be beholden to friends, which can't, we humbly conceive, be thought strange considering that this was all a wilderness so Very Lately.

“Now with Submission to your Excellency's Pleasure, our Humble Petition is, that your Excellency would Consider our Sircumstances, and Release us from Paying any tax for a Little time, your Excellency Granting of which we humbly Conceive, will be an advantage not only to your humble Petitioners, But also to ye Publick as it will Enable us to make the Greater Progress in Clearing our farms, and so of consequence to Pay ye Greater tax, which at Present Could be But Very Small, having but Little to Pay for.

“We Remain your Loyal Humble Servants,

James Cates, Thomas Senchr, John Gale, John Samborn, Josiah Samborn, Winthrop Hoit, William Kiniston, Satchel Clark, Cole Weeks, Daniel Lary, Aaron Samborn, David Dusten, Jonathan Smith, Josiah Kentfield, Jacob Smith, Johnathan Thomas, Thomas Lyford, Edward Kelley, Benjamin Samborn, Thomas Gilmore, Nathaniel Burley, Jonathan Folsom, Solomon Cope [Copp], Moses Danforth, John Gipson, Phillip Hunt, Daniel Samborn, Ebenezer Morrison, Benjamin Darling, John Folsom, Jonathan Lary, Samuel Shepherd, Andrew Roen, Samuel Smith, Daniel Fifield.

(Dr. Benton adds this Note: “The above names are mostly written by one hand, which may account for this spelling of Sanborn uniformly with an m.”)

On Mar. 1, 1770, a committee of two, Joseph Hoit and Josiah Sanborn, presented to the Governor and Council a

petition for incorporation, which was granted, thus incorporating the territory within the following bounds, as the Town of Sanborn.

“Beginning at a Hemlock Tree standing by the Great Bay of Winnepesaukee River, marked with the letter ‘B’ and several other letters, with the date of the year 1748 and spotted on four sides, then running north 65 degrees west to a beech tree, six miles, marked on four sides, then running south 65 degrees west to Pennigewassett River, then running as said River runs bounding on the same to the crotch made by said Rivers, thence easterly up Winnepesaukee River to the Bay aforesaid, then by the said Bay to the Tree first bounds mentioned, where it begins.”

Another petition of considerable interest, as it shows the condition of affairs in the state at an early date, and the difficulties the pioneers of the country had to contend with. The date of the petition was Oct. 24, 1785, and was signed by 47 of the townsmen of Sanbornton. The text of the petition is as follows:

“The petition of us ye subscribers, Inhabitants of said Town, humbly sheweth that your petitioners with others ye Inhabitants of the state, Labour under great inconveanensy for want of a currency, or medium of trade Sufficent to transact ye common business between man and man, and notwithstanding, your petitioners Conceive that others in General are Desirous to discharge all our Debts with ye Strictest Hornour, the Payment of which as also ye Common trading one with another is Rendered next to impossible by reason of ye scarcity of money— and People of all

Ranks & Conditions are Sued & Meney Put into Prison, all of which tends to Impoverish Individuals, & Consequently ye state in General;— we therefore Pray that your Honours would as soon as Possible, make a sum or Bank of Paper money Sufficient to answer all Debts or Demands in this state, or for a medium of trade & that sd Paper money may be made a tender in all Cases— and your Petitioners as in duty bound etc.”

In 1828 Sanbornton was materially weakened by the disannexing of that portion of the town incorporated as Franklin and again in 1869 when Sanbornton Bridge became Tilton.

Both of these sections had valuable water privileges on the Winnepesaukee and Pennigewassett Rivers.

INDUSTRIAL ACCOUNT

The industrial account of Sanbornton of the present day is meagre, the most of the manufacturing of the old township is now in Franklin and Tilton. The story of these industries belongs to the present history of those towns. Probably the first mill of Sanborn town was built on Salmon Brook, in what is now Franklin, by Daniel Sanborn Jr. during spring of 1764. Tradition says the mill had hardly been completed when the spring freshet carried the whole thing away. But not before a log had been sawed, because Sanborn claimed the mill site as per terms of charter. After-

wards permission was given Sanborn to build his mill near the bridge on the Winnepesaukee River. This site for several years stood neglected until a Mr. Adams built a mill here. At an early date Bradbury Morrison purchased the site and built several mills run by power from this one big dam.

The mills consisted of saw and grist mill, blacksmith shop with trip hammer, and a planing and shingle mill. This site has always been known as the "Morrison Mills." Part of these were destroyed by fire in 1836 and the planing mill burned 1850. The recent owners of the site are Giles and Knapp, manufacturing lumber. Thus the first permanent mill was built in what is now Tilton.

The second mills were called the Darling Mills. The third mill was the old Dustin Mills built on Salmon brook near Turkey bridge, so called, by David Dustin. The last signs of these mills disappeared about 1850.

Following these mills came the ones at the Chapel, or the Piper mills, so called. For two generations they remained in the Piper family, until purchased by Benj. S. Colby, in 1870-72.

These are among the earliest mills and have been followed by mills at Franklin Falls by Jeremiah Sanborn in 1778. The mill at Gibson's Falls, below Union Bridge, in 1780. Then came the Tilton-Copp Mills, and the industries headed by William Follansbee and A. H. Tilton, about 1830.

Then came the Prescott Mills on Prescott Brook, so called, in 1789. This takes us to another quarter of the town. In 1790 Joseph Smith built a mill on Threshing Mill Brook.

Following these small affairs have been many big industries such as: The Burleigh Clothing Mills, about 1866 and 1877. The Excelsior factory about 1869. The Moody and Simonds Mills, destroyed in 1814; rebuilt, and again destroyed in 1855. The North Sanbornton Mills in 1800.

These have been followed by many others of various periods of duration until we approach the present International Paper Mills and Hosiery and Woolen Mills at Franklin and Hosiery and Woolen Mills at Tilton.

EDUCATIONAL

Among the earlier industries was that of training the young minds, for this purpose the Sanborton Academy at Sanbornton Bridge was organized, Dec. 20, 1820. The old academy building of two modest stories stood on the eminence now known as Academy Hill. In 1871 or '72, it was moved to the Northfield side and used as a store-house by the Granite Mills Company.

The Woodman Sanbornton Academy, named for Mr. Aaron Woodman, incorporated June 27, 1826. The site of the building was near the location of the present Congregational meeting house. The building was left in a dilapidated condition. The last term held 1857. In 1867 school district bought and repaired it, making excellent school quarters. Upper floor being furnished as a hall.

The Sanbornton and Franklin Union Academy building

erected in 1845, east of old Chapel near Salmon Brook. Last school sessions were held about 1861. The building and starting of this institution was due to the religious revival started at about the same time or a few years prior.

The New Hampshire Conference Seminary, now known as Tilton Academy, was built on Academy Hill in 1845, probably. The old buildings have been replaced by modern and well equipped structures and have added materially to the prosperity of Sanbornton Bridge, now Tilton.

ECCLESIASTICAL ACCOUNT

As early as 1767 we find the town voted they should raise one dollar on each share to hire a minister for ensuing year. Mr. Joseph Woodman was called here in 1771. Services were held at Daniel Sanborn's until May 21, 1775, when the new meeting house was opened for worship. In 1806 Abraham Bodwell was called to labor here. In 1807 we find the town had divided into two religious bodies, Congregationalists and Baptists. It was voted in this year that those who did not belong to either Congregationalist or Baptist Societies should not be taxed to support those faiths. In 1829 the town finally relinquished all interest in the church affairs.

The Congregational Society is of course the oldest religious organization in town. It receives aid from societies organized, one on June 20, 1829, and another still earlier, 1811, known as "The Congregational Fund Association."

The First Baptist Church made its appearance as early as 1784-85, for several were baptised under its faith. In 1791 a meeting house was built by them northwest of the town's meeting house and near the then residence of Dea. William Chase, later Chas. B. Perley's. During the early life of the organization it was known as the Meredith Association. Sometime during 1791-92 it separated and became known as First Baptist Church of Sanbornton. In 1833 the building was moved and rebuilt on Crockett's Corner, one mile northwest of its original site.

The Second Baptist Church—The meeting house at the Bay was built about 1808, a preacher was kept here most of the time until 1816. No complete records have come to light. The present organization was organized Sept. 9, 1822. One of the early pastors left here and went West. It was his ambition to found an institution at Kalamozoo, Mich., like that at New Hampton. This man was William Taylor and he gave his time and property to this end, laying the foundation of one of the most flourishing Baptist institutions in the country. In 1844 certain members desired to be excluded from the church on account of their belief in Second Advent doctrines.

The Freewill Baptist Church at Union Bridge. The organization of this body was effected March 7, 1827, under the name of the "Free United Brethren." The church was received into the Quarterly Meeting in 1828. In 1847, June 24, voted to reorganize. This they did as the "First Freewill Baptist Church in Sanbornton," which was finally changed to that of the "Union Bridge Freewill Baptist

Church.” In 1834 the meeting house was built. In 1861 it was turned end to the road and thoroughly overhauled and repaired in modern style. In 1876 it was again repaired and improved.

East Tilton Methodist Church—The house of Worship was built about 1835 amidst considerable prejudice by members of the standing order residing in that part of the town.

The Congregational Church of Northfield and Tilton—see Tilton.

The Third or North Sanbornton and Meredith Baptist Church meeting house was completed in summer of 1829. Located on Pine Hill. Meredith Church, so called, organized June 20, 1833. In 1839 meeting house removed to North Sanbornton near Piper’s Mills. Remodelled and rededicated Sept. 10, 1876.

The Methodist Episcopal Church Northfield and Tilton—see Tilton.

Trinity Church—see Tilton.

The Christian Church—Started by period of preaching and exhorting about 1810, by Elijah Shaw Jr., about 17 years of age. This organization had a somewhat strenuous career for about 56 years. They built and occupied for a time the building commonly known as “The Chapel.” When the society disbanded the Chapel was sold to parties in Franklin, removed and used as a manufacturing establishment.

History of Gilford

GENERAL DESCRIPTION.

Gilford is bounded on the north by the Winnepesaukee Lake, east by Alton, south by Gilmanton and Belmont, west by Laconia.

The nearest railroad stations are Laconia on White Mountain Division of B. & M. and Sanders on the Lake Shore Division or Lakeport and Dover Branch, B. & M.

Gilford since the separation of Laconia has ceased to be very important other than as an agriculture vicinity. The business interests of the town were mostly in that part of the town now embraced in the township of Laconia.

EARLY HISTORY.

The early history of Gilford is so much interwoven with that of neighboring towns; her boundaries so often changed as sections were annexed and disannexed, that the story of her struggles and trials are nearly all told by that of other sections.

Because of disturbances at home (England) and the constant changes of the reigning house, necessitating the removal of the Governors of the Provinces here; the satisfactory decision of the boundary lines and a final decision as to the

owners of his territory, whether it belonged to the Masonian Proprietors or not was made impossible. Coincident to these disputes the Indian outbreaks known as King Philip's (1674) and King William's (1688-90) Wars were taking place. These wars harrassed the settlers of New England so that all thought of making expeditions inland were, for the time being, forgotten.

On the appointment of John Wentworth as Governor of New Hampshire to act under and in certain cases independent of Governor Shute of Massachusetts, the Indian outbreaks having subsided, the idea of a settlement north was again discussed. In 1727, the grant was made for this section and a blockhouse having been erected on the shores of the Lake (probably in what is Alton now) courage for pioneering and settlement was aroused. Many of the early settlers located first at Lower Gilmanton and later worked north to (now) Gilford.

The principal obligations of the charter were that: First, the settlement of seventy families within three years, each a separate house, and each having cleared three acres fit for tillage, and having paid all assessments. Second, a meeting-house shall be built within four years. Third, three shares shall be appropriated for public use, viz: One for ministerial support, one for minister's residence and one for support of schools; providing, however, that no Indian war prevent the settlement, and in such event, granting three years from the close of such war.

In 1736 two block-houses were built in the extreme limits of the town, or what is now Gilmanton and Gilford, making

these parts of equal age as the forts were the first buildings erected on the new grant.

From 1738-48 came the war between France and England. Two cleared paths and three buildings (third one built for sheltering workmen on roads, but location unknown) were all that Gilmanton and Gilford consisted of.

The first permanent location of families in this, the northern part of the town, was not made until 1777-1778, about 16 years after the southern portion and 155 years after the settlement of Dover, though their boundaries were less than forty miles apart .

The first settlers were James Ames and Capt. L. F. Gilman. A little later came Levi Lovit, a temporary resident. Abraham Folsom began improvements at the Lower Weirs, though his residence was in that part belonging to Meredith, later Laconia, his interests were for Gilford. His grist mill was the one necessary accommodation of the first settlers. Daniel Stevens located on the Gilford side of the river, soon followed by Malachi Davis, Samuel Blaisdell and Lowell Sanborn. Esquire Benjamin Weeks, who came into the lower part of the town in 1768 led a party into the upper section and located at the western base of Mount Major.

As the town was settled during the Revolutionary War it was set apart from Gilmanton in the War of 1812 and incorporated. A small section was annexed to Laconia later, taking about all the manufacturing from Gilford leaving it only important as a farming district.

INDUSTRIAL ACCOUNT.

Agriculture in all its branches has ever been the chief of occupations for this community. One experiment about 1840 that met with a fair success was the introduction of the silk-worm and raising of silk by Benjamin Rowe. It was found that the mulberry plant could be quite successfully grown in the light soil of certain sections of the town.

One of the earliest saw-mills was built by Simeon Hoyt and Ebenezer Smith Esq., in 1789 on Gunstock Stream. Various other mills have been run at varying times by different ones. There was the Lamprey mill, near Alton line followed by Foster's mill and Colby's, followed by Foster's, all on Miles River. Joseph Potter in 1835 built a mill on Gunstock Stream; he and his son for many years manufactured lumber here. It was sold by John M. Potter to Hazen Copp and son, Augustus Copp, who added stones for grinding corn. Abraham Folsom in 1780 built his mill on the falls at the foot of the bay. This has always been an excellent privilege and seldom neglected.

The foregoing are probably the most important of the early enterprises and now Laconia and Lakeport do the principal business of the section.

EDUCATIONAL.

As a rival to the Gilmanton Academy, one was started in 1820, at Meredith Bridge, not meeting with the same liberal treatment that characterized the reception of its sister acad-

emy in the way of land grants from the State, school lot given by the town, etc., it still had the moral support of the better citizens of the town and was kept alive for several years.

ECCLESIASTICAL HISTORY.

The early church history of Gilford is that of Gilmanton, although the Baptists of Meredith held services here from time to time. In 1796, Richard Martin of Lee came here to labor for the Baptists although it was found that he professed the beliefs of the new doctrine as outlined by Locke and Lord, preaching elders, John Shepard, ruling elder, Benjamin Randall, apostle and reputed leader of the new faith Free Will Baptists. The project to organize a Second Baptist Society at the Gunstock meetinghouse, Oct. 12, 1797 failed. The following year a Free Will Baptist Society was formed here.

The Second Free Will Baptist Church was organized November 6, 1816 in the southern part of the town and the northern part of Gilmanton.

The Third Free Baptist Church was gathered at Lake Village in 1838.

The Fourth Free Baptist was gathered at Meredith Bridge.

The Universalists built a church at Gilford Village about 1840.

The Congregationalists re-organized and built a church at Meredith Bridge about 1824.

The Methodist Episcopal Church has a number of members

here. There are a few Catholics and the Advents have quite a few members.

Gilford in its early days was the shire town of the county, but those honors have been taken by Laconia.

History of Belmont

GENERAL DESCRIPTION.

Belmont is located on the end of the Belmont and Tilton branch of the Boston & Maine R. R. Important in its agricultural pursuits and with some manufacturing combined with its diversified scenery, Belmont is a perfect residential town. Belmont has a perfect town water supply, also electric street lights and hydrant service for fire protection.

The town is bounded by Laconia on the north, Gilmanton on the east, Northfield on the south, Tilton and Winnisquam Lake on the west.

Citizens' and New England telephone service both local and long distance, Western Union Telegraph and American Express Company give excellent communication with outside world, beside three daily mails.

As we have elsewhere stated Governor Badger with others built a brick factory for the manufacture of cotton cloth. Prior to this date settlement of the upper parish was slow. Previous to this the village, if such it could be called was known as "Fellow's Mills." The plural probably because the saw and grist mills were combined in one building. In the spring of 1852 there was a great freshet that carried off the mills at the upper dam and several other buildings. In 1876, The Gilmanton Mills Company purchased the site and manu-

factured cases. This plant was burned in 1885.

The freshet previously mentioned entailed a severe pecuniary loss upon Governor Badger, and that gentleman dying a few months later, the village experienced no considerable growth, either in size or in general prosperity for several years.

In 1870, Hon. Amos Lawrence purchased the old Badger Mill. In 1875, a joint stock corporation was formed since this time many additions to the mill property have been made and at present the Gilmanton Mills are the chief industry of the town, hosiery constituting the manufactured product.

ECCLESIASTICAL ACCOUNT.

A striking example of the devoutness of the early settlers and their great faith is shown in the fact that despite the slow development of worldly prosperity, caused by the freshet of 1852, they did not delay erecting houses of worship. It is a striking fact that the history of one is a history of all the early New England settlers as regards the matter of religious worship. It was as essential as food or raiment and in many cases considered more so.

For many years, as frequently happened the services were held in private houses and barns.

The first church in the Upper Parish was erected on the Province road (so called) in 1792. The members of this church adopted the tenets of the Free Will Baptist denomination in 1816. In 1835 it was incorporated by the name of the "Third

Free Will Baptist Meetinghouse Society in Upper Gilmanton.”

In 1810, a church, composed of those persons previously known as the “Third Monthly Meeting” was established at what is now Belmont Village. The meeting house was erected sometime between 1811-15. The society was incorporated in 1835 as the “First Free Baptist Society” in Gilmanton Upper Parish. The present edifice was built in 1852. In 1839, a Christian Baptist Church was established at the Belmont Village, incorporated in 1841. A meetinghouse was built in 1840 and burned in 1867. The present building was erected in 1868.

Richard Davis, Josiah Knight, John Burden, John Gillingham, Samuel Nutt, Moses Polley, George Osborn, Abiah Kidder, E. S. Moulton, have been pastors here. At present the church is without any supply or pastor.

The Advent Church as an organization is the result of a recent movement. The organization dates from 1900 and in this year the meetinghouse was built. Prior to this date there were many who were of this faith and occasionally services were held.

The pastors have been David Jack, H. H. Tucker, and Clark Duval, the present pastor.

Among those most active in its organization were: C. C. Currier, H. C. Adams, F. A. Converse, W. A. Reynolds, E. S. Moulton and J. H. Weeks.

The story of the church building is interesting from the fact that the funds came entirely without solicitation. Timothy E. Clough and his wife, Harriet Clough, Stephen Fifield and C. H. Colby were among the generous ones in donations.

The Catholic Church is the latest addition to the churches

at Belmont. The Rev. Fr. Desmond of Tilton supplies here every two weeks.

EDUCATIONAL.

Belmont has no advanced institution of learning. Students in the higher grades are mostly in attendance at Tilton or New Hampton.

The lower graded schools are carefully arranged as to their course of study and well equipped school buildings give them shelter. Especially is this true of the Gale School on School street in the village.

THE BADGER HOMESTEAD.

“Once upon a time” begin the stories of our nursery books. Even stories of our wildest delight would be tame but for this beginning. So “Once upon a time” Gilmanton and the children of her early care, Gilford and Upper Gilmanton, formed one of the most prosperous and important towns of the old Strafford County. In fact, the glamour of importance was held jointly by Dover and Gilmanton. This was in the old stage coach days. When the lumbering old coach stopped at the quaint old hostelries at “Smith’s Corner” “Gilmanton Corner” and at the “Center” and the travellers were welcomed with that peculiar courtesy familiar to readers of Longfellow’s “Tales of a Wayside Inn.”

We have not the lumbering old coach, but for appearance we will come in on the stage. True, the little hamlet (Belmont) we enter on approaching our destination is now touched by those sinews of steel carrying the pulsating life of the outside world.

Our destination is the large farm house on the hill under the drooping elms. Only a distance of a mile and a half from the village, northerly from the valley and we have reached the highest point of the ridge of land that stretches out broad and nearly level—a charming plateau. Before us, set in from the highway, and surrounded by lofty ancestral trees, rises a stately mansion; around us stretch the acres of the Badger homestead. Certainly a glorious site for a dwelling place! The prospect is extended and beautiful. Standing here under the trees, we can see into two states, Maine on the east, and Vermont on the west.

Northward are the Gilford Mountains, Chocura, Belknap and Whiteface. Beyond these so that it seems we are delving into the hazy future, lies Mount Washington, distinct in spite of its misty outline.

With such an outlook, it is no wonder the occupants of the mansion towered into greatness.

To this site in 1784 came Gen. Joseph Badger Jr., a brave soldier of the Revolution. His father, Gen. Joseph Badger Sr., was one of the first settlers of the town of Gilmanton. Prominent in town and State affairs.

Joseph Jr. followed in his father's footsteps; was a soldier in the Revolution, several years in the legislature, eight times elected councillor for Strafford County.

The heir to his popularity, wealth and ability was his son, William Badger, born 1779, a short time before his father moved to this picturesque spot. He received his education in the district schools and Gilmanton Academy. He was a Democrat of the Jefferson and Jackson school and held many public offices, the gift of his fellow townsmen or at the hands of his party in the state. In 1834 he was elected Governor of the State and once re-elected to succeed himself. At fifty-seven he retired from active service in public life, refusing re-nomination at the close of his second term as Governor.

The Badgers, beside being interested in agriculture, their chosen calling, had some interests in manufacturing. Col. Joseph Jr. built the saw mill above the town and Governor Badger built the cotton mill, where Belmont Village now stands. Joseph Fellows did the carpenter and mechanical work for Joseph Jr. His son, father of Frank T. Fellows, now residing in town, the carpenter work on the mill for Governor Badger.

The grand old mansion that he built and lived in has been a goodly residence in its day. There still remains a somewhat faded majesty about its appearance that is not without its influence upon the visitor.

Would that space permitted a detailed description of this wonderful old mansion, with the quaint and interesting evidences of a grandeur long since past.

The house and barns now show signs of modern improvements in keeping with the requirements of a thrifty and up-to-date farmer's needs.

EARLY HISTORY.

Belmont or Upper Gilmanton, as for a time this town was called, following upon the second division of the town of Gilmanton in 1859, is according to the terms of the bill passed by legislature the original settlement of Gilmanton, but to the disannexed portion was given the old name.

Following is the wording of the action bearing upon the subject:

“That all that part of the town of Gilmanton contained within the following described lines, to wit: Beginning at the northeasterly corner of said town where its easterly line is met and intersected by southerly line of the town of Gilford, thence running in northwesterly direction following the division line between said towns of Gilford and Gilmanton until said division line is met by the Parish line, so called, as the same is laid out and described upon the original plan of lots in said town of Gilmanton, thence running southwesterly following said Parish line until said line meets and intersects northwesterly line of said town of Gilmanton as the same now is; thence southerly on said westerly boundary line of said town of Gilmanton to its southwesterly corner; thence northerly on the easterly line of said town of Gilmanton as said line now runs until it arrives at the point begun at; be and the same is hereby severed from said town of Gilmanton and made a new body politic and corporate by the name of Gilmanton and that all the territory remaining, which with the part severed constituted the town of Gilmanton as the same was

before the passage of this act shall be called by the name of Upper Gilmanton.”

Thus the part remaining of the severed town was called Upper Gilmanton. The first board of town officers of Upper Gilmanton was: Selectmen, John L. Keasor, Lyman B. Fellows, Jeduthan Farrar; clerk, Nicholas D. Gorman; treasurer, John W. Wells.

The name was changed by act of Legislature from Upper Gilmanton to Belmont in 1869. The first board of town officers elected under the new name was: Selectmen, Danied T. French, Nicholas D. Gammon, James G. Cate; clerk, William M. Leonard; treasurer, Daniel T. Batchelder.

History of New Hampton

GENERAL DESCRIPTION.

The town of New Hampton lies in the northern part of the County of Belknap and is bounded as follows: North by Ashland, northeast by Center Harbor, east by Meredith and Sanbornton, south by Sanbornton and Hill, west by Bristol and Bridgewater. The Pemigewasset River flows on the entire western side of the town.

The village is beautifully located among the hills and mountains.

The nearest railroad station is Briston, connected by daily stage.

A stage also runs from Tilton through Sanbornton to New Hampton.

EARLY HISTORY AND TRADITION.

Tradition says that the section once comprising New Hampton or Moultonboro Addition, as it was for a time called, was given to one Gen. Jonathan Moulton in return for the gift of an ox by General Moulton to Governor Wentworth.

There is recorded a grant to Gen. Jonathan Moulton of Moultonboro and others, Jan. 24, 1765, and Nov. 27, 1777 the township was incorporated and called New Hampton.

By an act of Dec. 7, 1797 the northeast part was set off and incorporated as Center Harbor.

In referring again to the tradition of the ox trade, it is said the weight was only 1400 pounds, and the tract was over 19,422 acres.

As we look upon this valuable territory and the cosy little village situated among the hills, we cannot help being incredulous at the small value placed upon the land by the early settlers.

It is said the first settler was a certain Samuel Kelley, coming here in 1775.

New Hampton Academy, a literary institution was incorporated June 27, 1821. The management of the Academy was left in the hands of three trustees until 1826. In June of that year the name was changed by law to "The Academical and Theological Institution in New Hampton." The board of trustees were increased to eleven.

In 1852 the Institution was removed to Vermont.

In January, 1853, The New Hampton Literary and Biblical Institution was chartered and organized under the auspices of the Free Will Baptist Society and liberally endowed by Col. Rufus G. Lewis.

The New Hampton Institution opened its first term on September 17, 1821. The act of incorporation was passed June 27, 1821. John K. Simpson, a native of the town and a successful Boston merchant, not sharing the prejudice against education commonly shared by the Free Will Baptists at that time did much to promote the early prosperity of the Institution. A George Richardson was preceptor of the school until 1825, when he was succeeded by Bezaleel Smith, an orthodox minister in West Hartford, Vt. During this year (1825)

the first important change in the management occurred. The Baptists had no academy in New England and Mr. Simpson, after moving to Boston having become connected with that denomination proposed to the trustees that the proposition be made to the Baptists of New Hampshire that they should take the school under their patronage. This the trustees were only too glad to do. Mr. Simpson with a prophetic shrewdness little less than wonderful stated that "the Free Will Baptists are not prepared to enter this enterprise now, but they will be in about twenty-five years." In twenty-seven they were.

The school now became known as "The New Hampton Academical and Theological Institution." In 1826, a new building for recitations was added and in 1829 a large brick block, for dormitories, was built. During this same year the people at the Village," aroused to action by the success of the institution at the "Center," erected a school building which soon became known as the "Female Department." Previous to this the attendance was confined largely to males, but now it became about evenly divided between the two sexes.

The Theological Department opened in 1829, for twenty-three years had an average annual attendance of about twenty-five. The death of its first patron Mr. Simpson in 1837 and the financial disturbances of that year put an end to the liberal plans of the trustees. From 1837 to 1852 little change is recorded. But in 1852 pressed by financial embarrassments the trustees were at last compelled to consent to the removal of the school to Fairfax, Vt.

The departure of the Baptists and withdrawal of their support was not to close the school history. As a fulfillment of

Mr. Simpson's predictions, the Free Baptists were now ready to take up the enterprise. Having been defeated in several attempts to maintain unendowed schools, the generous offers that came from New Hampton aroused them to make another effort.

Here was a community grown up around the school buildings and more or less dependent on the students for their business and social activity. With the prestige that "New Hampton" would have in thousands of homes through New England, here was very nearly, geographically and numerically, the center of the Free Will Baptist denomination, here were the libraries of the two literary societies of the school that after a severe fight decided to remain in New Hampton; here also was Rufus G. Lewis, with brain quick to conceive, liberal heart, and hands prompt to do. What could be more natural than a proposition to the Free Baptists to come here and settle and the prompt acceptance of the proposition by them?

A new charter was approved Jan. 5, 1853 for the "New Hampton Literary and Biblical Institution." It was voted to locate all the departments at the "Village." The old buildings were purchased and the work of removing those from the "Center" commenced.

Many material changes have taken place since these trying days. In 1854 the Biblical School was removed to New Hampton from Whitestown, N. Y., and in 1870 removed to Lewiston, Me.

The buildings of the Institution have received additions as prosperity increased. Several endowments have been made. Principal among these being that by Col R. G. Lewis. It is

still to be hoped that the alumni of the school will remember materially their "Alma Mater."

The Congregational Church is first referred to in 1800. March 20th, when it was voted "to settle Mr. Hebard as a gospel minister." At an adjourned meeting of the town in May, it was voted, "He should have one hundred acres of land set off from northwesterly end of minister lot (so called) exclusive of six acres to be round-about the meetinghouse, for use of the town as common burying ground." It was further agreed that he should have fifty acres more as "compensation to him as a settlement for the erected buildings, etc."

He was to have one hundred and fifty dollars per year and two or three Sabbaths per year to visit friends.

June 25, 1800, Rev. Salmon Hebard was ordained. In 1801, the church had one hundred and thirty-five members. In a few years the membership began to decrease. In 1820 the meetings were discontinued. In 1842, Oct. 7, the church met at the residence of Rufus G. Lewis and was formally dissolved.

MILITARY ACCOUNT.

Among the names found on the Roll of Honor, credited to New Hampton for the Civil War, are the following names: Albert W. Bachelder, Geo. L. Brown, John Brown, James G. Cawley, Edmund Copp, Michael Darmardy, Jeremiah S. Dinsmore, John M. Dow, Levi S. Downing, Geo. W. Drake, Edwin S. Edgerly, Orrin A. Edgerly, John P. Fairfield, Charles W.

Rhodes, Samuel C. Robinson, Hosea Q. Sargent, William C. Sargent, James Schmidt, William Spinney, Loring P. Taber, Howard Taylor, John Taylor, Simeon P. Ward, John O. Woodman.

In the War of the Revolution, New Hampton, while not sending as many men as some, furnished her quota according to the population at that time. Among the names of those assigned to New Hampton we find those as follows: Joseph Smith, Samuel Kelley, Thomas Woodman, Levi Chapman, Robert Simpson, Nathaniel Kelley, Thomas Simpson, Jeremiah Smith and possibly others.

Meredith Church History

On May 22, 1854, the following named people met and decided to form a church to be known as the Meredith Free Baptist Church:

David Vittum, John Haines, Francis Hawkins, B. L. Sanborn, Mr. York, Greenleaf Malloon, David P. Cotton and Ebenezer Stevens.

Prior to this date those of this faith worshipped at the Oak Hill Church, so called.

For a long time services were held in Union Hall until 1858 in that year we find the first mention made of a church edifice of their own. November 8th they voted to build a church home, but instead finally decided to use the old meeting-house, which had been located on the Parade, so called, and used by the town as a town house.

The pastors who have had charge of this parish are as follows: Levi Tasker, Hosea Quimby, Hiram Stevens, I. D. Stewart, Francis Reed, Stephen Pittman, Justus Erskine, Lincoln Given, J. L. Sinclair, R. H. Tozier, J. Burnham Davis, A. P. Tracy, A. W. Bradeen, E. G. Eastman, E. B. Tetlier.

The First Free Will Baptist Church of Meredith at Oak Hill, a branch of the New Durham Free Will Baptist Church, was organized in 1800. Its first house of worship, called the "Pottle meetinghouse" was built at Oak Hill, Meredith,

between 1800 and 1804. It was rebuilt about 1852 and called the "Oak Hill Free Will Baptist Church." In the days of John Colby great revival meetings were held in the beautiful oak grove then on the hillside behind the church. In the "Life of John Colby," with regard to his ministry here he writes as follows: "Meetings were attended day and night; and I scarcely attended a meeting, but that some were hopefully converted. In some meetings as many as ten or twelve would profess to have experienced a saving change. I baptized sixty-two believers in the place, at different times."

"The ordinance was administered in a very pleasant pond," (Waukegan Lake) "which seemed to be prepared by the Creator for the noble purpose. It was but a short distance from the place of worship; and we often repaired to it, to attend the glorious institution of heaven, while the spirit of God, like a dove, descended upon us. O, how solemn, beautiful and pleasant, the scene, to see ten, twelve, and sometimes fifteen, follow their blessed Saviour down into the water at one time!—while the shores were lined with attentive spectators, and boats filled with people from the opposite side of the pond. It seemed sometimes as if heaven and earth had come together, indeed; while the converts were praising God and singing hallelujahs to the Lamb. I have thought it a prelude of the day when the saints shall be made equal to angels, and shine forth in the kingdom of Their Father forever and ever."

The religious interest gradually spread over Meredith and adjoining towns till the membership embraced not only Meredith, but New Hampton, Center Harbor and Center Harbor

Neck, Holderness, Moultonborough and Moultonborough Neck. From 1800 to 1838 the membership increased from 23 to 352. It covered so large a territory that branches were formed reporting monthly to this church, one on Center Harbor Hill, which grew into a church; another on Moultonborough Neck. In 1803 one was formed in the second division of Meredith, becoming a church. Some time afterward one was formed in West Center Harbor and Holderness, still an active church. Later another sprang up in East Holderness. In 1838, a church was formed at Meredith Village, consisting of 54 members from the Oak Hill Church. In 1847 the Meredith Village Church gave up its organization and reunited with the Oak Hill Church, remaining until 1851. It was re-organized forming the Meredith Free Baptist Church. In 1839, a branch of the Oak Hill Church was formed on Meredith Neck, largely broken up in 1843, and finally became extinct. Regular services and a Sunday School are kept up nine months of the year. In the earliest years of this church a settled pastor was hardly known in the denomination. The supply was mostly by traveling preachers.

At a comparatively early date it had stated supplies and pastors. Among them were Pottle, Colby, Martin, Magoon, Dana, Moody, Hill, Cheny, Manson, Stevens, the Pettingills, Perkins, Jackson, Pitman, Webber, Sanborn, Sinclair and the late revered Justus Erskine.

Among its officers, donors and active faithful workers we find the following names: Bartlett, Batchelder, Blake, Boynton, Brown, Burleigh, Cate, Chase, Corliss, Cotton, Davis, Doe, Dolloff, Fogg, Gellerson, Gilman, Gray, Hart, Hawkins, Haynes,

Landis, Murray, Nealley, Pease, Pike, Quimby, Robie, Sanborn, Sayward, Sinclair, Smith, Veasey, Webster, Whiteher, and Woodman.

The First Congregational Church of Meredith was organized by a council of ministers, Feb. 20, 1815, with thirteen members.

The First Congregational Society was incorporated as a legal body by a special act of the New Hampshire legislature, June 18, 1817. At first both church and society were composed of residents of Meredith and Center Harbor, and not until 1838, when the Congregational Church in Center Harbor was organized, did a separation take place.

The names of the original members of the church were as follows: Ephraim Doten, David Robinson, Moses Morse, Jeremiah Towle, Joshua Norris, Stephen Norris, Hannah Morse, Elizabeth Robinson, Mary Ladd, Abigail Norris, Dorothea Sturtevant, Sarah Norris, Susannah Doten.

Original members of the Society: John Towle, David Bean, David Robinson, David Corliss, Samuel Bean, John Roberts, Jonathan Brown, Jeremiah Fogg, Moses Senter, Isaiah Fogg, Josiah Norris, Timothy Tilton, John Sanborn, Josiah Bean of Meredith; Moses Morse, Nathan L. Morse, Jeremiah Towle, Moses Morse Jr., John Adams, Joshua Norris, Daniel Norris of Center Harbor.

Most of the members of the society became members of the church after a time.

The first meetinghouse was situated about a mile from Meredith Village on the Center Harbor road.

In 1833, a meetinghouse was erected at Meredith Village,

on Winnepesaukee street, near the turn toward Center Harbor. This building was moved to the present site on Highland street, in 1843.

In 1871, extensive alterations and improvements were made: the building enlarged, the square tower removed, and the steeple with spire erected. The interior was completely renovated and refurnished. A chapel was erected in 1878, and a parsonage in 1888, upon the site of the old parsonage, which was the gift of Joseph W. Lang.

The first pastor of the church was Rev. David Smith from Temple in the "District of Maine," who was installed March 24, 1819, and died in 1824.

At this time the church numbered forty-one members.

Succeeding pastors were: Rev. Reuben Porter, January, 1829-April, 1830; Rev. Joseph Lane, April, 1831-April, 1833; Rev. Abraham Wheeler, 1833-1836; Rev. Eli W. Taylor, 1838-1841; Rev. Giles Leach, 1842-1854; Rev. Charles Burnham, 1857-1871; George I. Bard, 1872-1882, January, 1898-October, 1908; John E. Wildey, 1883-1886; Gilbert A. Curtis, 1887-1891; Freeman C. Libby, 1891-1895; Robert T. Osgood, 1895-1898.

In 1841, resolutions against slavery were adopted.

In 1832, the church voted that "no person be admitted to the church who would not pledge entire abstinence from ardent spirits, except in sickness."

In 1837, a committee was chosen to raise money by tax upon respective inventories in the town book.

A committee was appointed to put the price upon produce that may be paid to the minister.

Also a committee was chosen to see that the minister was supplied "with the common necessities of life."

There was also a committee at one time "to see that the boys be kept in their proper place during public worship."

A "Sabbath School Society" was formed in 1834, with John Sanborn, president.

The church bell was the gift of Mrs. Lang in 1871. George W. Lang, a member from 1857-1877, and Mrs. Lang, 1857-1896, were influential and devoted members.

The town clock was placed in the tower of the church by Miss Virginia B. Ladd, in 1903.

PART II

Census-1908

The population of the towns of New Hampton, Meredith, Gilmanton, Sanbornton, Tilton, Belmont and Guilford has been arranged in families where it has been possible. In addition to the resident living members, the names of the non-resident members are included. It should be borne in mind that this plan does not include the names of all former residents of this town, as the names of the non-residents appear only when one or both of the parents are still living in the town. After the name of each non-resident will be found the present address, when such address has been given to us. Non-residents are indicated by the (*).

When a daughter in a family has married, her name taken in marriage appears after her given name in parenthesis, the name preceded by a small m, thus: (m).

Following the names of the population is the occupations. To designate these we have used the more common abbreviations and contractions, as follows: Farmer—far; carpenter—car; railroad service—R R ser; student, a member of an advanced institution of learning—stu; pupil, a member of a lower grade of schools (including all who have reached the age of five years)—pl; housework—ho; laborer—lab; physician and surgeon—phy & sur; clergyman—clerg; merchant—mer; teacher—tr; blacksmith—blk; clerk—cl; bookkeeper—bk kpr; lawyer—law; mechanic mech; machinist—mach; engineer—eng; maker—mkr; worker—wkr; work—wk; shoe shop operative—ssop; cotton or woolen mill operatives—mill op; weaver—weav; spinner—spin; electrician—elec; painter—ptr; carriage work—car wk; dress maker—dr mkr; insurance—ins; traveling salesman, or commercial traveler—sales, or coml trav; music teacher—mus tr; teamster—team; general work—genl wk; mariner—mar; employ—emp; retired—retd; telephone operative—tel op; telegraph operative—teleg op.
